BUSINESS ASSOCIATES FOR

We have embarked on satisfaction and also diversification of the products. We are in the manufacturing sector since 2 decades (since 2005) wherein our line of products were regular hygiene products which were common for both Industrial and Domestic requirements. With a motive to have a diversified sector, in 2016 we have set up a manufacturing unit of corrugated boxes and carton boxes where in we cater to the requirements of various industries. Further more, we are providing tailored made hygiene products by thoroughly understanding and analyzing the requirements/problems of the customers wherein we have made fullest efforts to resolve the cleaning issues that are untouched and un-resolved for a long time.

We are proud to say that we have become the choice of professionals through our commitment to provide the time bound and right product for every task at affordable prices which has kept us in business over the year. What more to say about a company which has given the hard work and hunger that customer satisfaction and Service is ultimately what matters to be successful. "SSP" not only design but create the customized hygiene products, corrugated boxes and carton boxes according to the need of the customers. Our products are manufactured under the strictest standards of quality and we are proud to process ISO 9001:2015 Certification is one of such Milestone. "We deliver a customized orange to product support which offers a great value to our customers by providing excellent performance economically."

The head office is situated at mangal road, baanglore having its manufacturing unit at magadi KSSIDC Inld. Area with experienced personnel. All of these aimed at the goal of delivering the highest standards of quality products & services to our customers.
